## **KNIGHTS OF COLUMBUS INSURANCE**

### **FEBRUARY: Beneficiaries...Who Do You Love?**

**It will soon be Valentine's Day. Do you know who the beneficiary is on your life insurance policy? It would be a wise idea to find out – and update your beneficiary if necessary. As our K of C agent, I can help you do that.**

**Why is it important? A life insurance policy protects the financial status of another person – or people – in the event of your death. Through a beneficiary designation, you determine just who that should be.**

**When you purchase a Knights of Columbus insurance policy you select a primary beneficiary and, if you desire, a contingent, or secondary beneficiary. It's always a wise move to select a contingent beneficiary because you might outlive your primary beneficiary. A contingent beneficiary is the person designated to receive life insurance policy proceeds if the primary beneficiary dies.**

**You should be as specific as possible in wording your beneficiary designation. By naming you wife, daughter, son, etc., as beneficiary, you make sure that the life insurance proceeds will be available in a timely manner to them.**

**Your life situation will undoubtedly change over time. Plan to update your beneficiary designations periodically. This will ensure that your life insurance coverage will protect those you want it to protect.**

**Changing your beneficiary is fairly simple. You simply complete a change of beneficiary form for each policy you want to change. I can provide you with these forms - and I will help you to fill them out. I can also help you with beneficiary designations for any life insurance policy you hold - regardless of the company that issued it.**

**To contact me with regards to any of your insurance needs, please call me at 530-410-4952 or e-mail me at [richard.reinero@kofc.org](mailto:richard.reinero@kofc.org).**

## KNIGHTS OF COLUMBUS STATE SCHOLARSHIP

One of the most overlooked Knights of Columbus Programs is the State Scholarship, designed specifically for high school seniors planning to enter College or continuing students currently enrolled in a College or University. Deadline for submittal of an application portfolio is March 1, 2008

The Scholarship Program offers 11 \$1,000 scholarships plus 1 \$500 scholarship, has helped many students in California to afford to begin College and others to stay in College and provides no restrictions to the type of school, whether a public or private institution.

Qualifications of Scholarships, Required Documents, Scholarship Application, Verification of Eligibility, Personal Statement Requirements, Application Portfolio Deadline and Portfolio Submittal Location are all found on Pages 124 through 127 within the California State Council Program Handbook and the State Council Website. Every Grand Knight in every Council has a copy of this Handbook

You can't possibly imagine the words of gratitude and prayers of thanksgiving that come to us from winning Scholarship recipients and their families. Yet, how many times I have the words from Brother Knights, "If I only knew about it, my son or daughter would have applied for it because they might qualify for a Scholarship".

NOW is the time for students and their families to begin the application process in order to meet the deadline of March 1, 2008. NOW is the time for all Councils and Brother Knights to promote this valuable Program that supports the youth of our State.

GOD BLESS,
