A Message from our Grand Knight

Brother Knights and Families,

I hope this letter finds you and your family well. As most of you have heard Dewey Risconi has had successful heart bypass surgery but we'll continue to pray for him, and lets not forget Dan Peregoy and his family as they continue to recover as well.

Once again, Brother Knights, you were there when I ask you help as pallbearers and honor guard for the funeral of for Fourth Degree Knight and past Grand Knight Brother Elmer Wussler. The care and support of all Brother Knights at that time of need was greatly appreciated.

Thanks go to Pancho and crew for serving another great breakfast. Many thanks also go to our Tootsie Roll Chairman, Richard Thiel as he did a terrific job! Coming up on November 5th is a First Degree Exemplification. Hope to see you all there to support our newest members. Also a date for the Mass of Repose for deceased Knights will be set soon and that information will be sent out.

There are many important issues to be decided Election Day Nov. 4th. Please read up on the issues and vote. I hope we all can go to the polls and vote our positions as Catholic gentlemen.

Let us remember our Veterans past and present in our prayers and by flying our flags on Nov. 11th.

Finally, I would like to encourage you to attend the Men's retreat Dec. 5-6-7th for renewal of spirit for the Advent season. Contact Captain Jim Bartel for more information.

May we all take inventory of things we are truly thankful for this season and show God our thanks by helping those that need our support. May God Bless you and your Families in this fall season.

KNIGHTS OF COLUMBUS INSURANCE

"NOVEMBER IS LONG TERM CARE MONTH"

Thank-you Mom & Dad,

I wish more young adults would give their parents the gift of an LTC policy! Talk about a wonderful way to say, "Mom, Dad, you took care of me when I needed LTC--as a baby--now it's my turn. These policies are my way for making sure that I'm doing everything I can to preserve your dignity and provide you the care you deserve."

For young adults, like me, who were raised in cultures in which children are expected to take care of their parents, LTC is the most efficient way to financially live up to this expectation. For young adults who were raised to "leave the nest" and never look back, LTC is a means to exceed expectations. Of course, in both situations the young adults are also simply protecting whatever estate Mom and Dad have built to pass on to them. . . .

Your Son or Daughter

Since its addition to the Order's product portfolio in 2000, long-term care insurance has provided the Order with an excellent opportunity to further serve Knights and their families. And – since 2005 - every Knights of Columbus long-term care policy comes with an added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you are not currently a LTC policyholder, I suggest you contact me at 530-410-4952 to schedule a time to meet with you so I can provide additional information on how you can avail yourself this valuable, value-added benefit and answer any of your insurance needs.

Fraternally, Your Knight Brother and Field Agent,
