KNIGHTS OF COLUMBUS

Saint Monica's Church Willows Council #2054 Newsletter;

Next meeting: Thursday, February 12, 2009

Greetings Brother knights from Cabo San Lucas, Mexico. This is short note to thank the brothers that assisted with the membership drive. I feel we made a good impression. Some applications were taken. A special thanks to Conway Couto as chairman. Also, a big thank you to Field Agent Richard Reinero for his participation. I think we should do this more often.

Now on to the FESTA, which is only a few weeks away. It's time to get out and get the donations for the raffle and auction. Please call Dean Martin or Mark Amaro, who are co chairmen of this great event. More said at the meeting. I won't be presiding at the meeting, but have made arrangements with Deputy Grand Knight, Joe Rodgers to conduct the meeting.

Until we meet again, Adios

Vivat Jesus

A Military Chaplain's story

Most of what I do here in Iraq is fun. Besides the normal parish ministry, I am able to give candy to lots of Iraqi children whose parents are in the Embassy applying for visas to come to the United States. Sadly, however, a few days ago a young Marine corporal was flown by helicopter to our hospital with serious injuries sustained when an improvised explosive device (IED) went off near his vehicle. While I arrived in time to perform the sacrament of the anointing of the sick, he died soon after. I am grateful that the others in the convoy will all survive.

A little humor; A farmer from Willows, N. California dies and, being a heathen, goes to Hell.

When he gets there its 95 F with 90% humidity, but Satan notices he's kicked back on the brimstone relaxing comfortably.

He asks, "Why aren't you miserable like everyone else here?" The farmer replies, "Oh, this is like a warm spring day in Willows. I like it."

Angry, Satan turns up the thermostat until its 100 F and 95% humidity.

Still, the farmer's happy. "This is like a good June day on the farm. Not bad at all."

Furious, Satan turns it up to 105 F and 99% humidity. Everyone is even more miserable, except the farmer from South Carolina still resting. "Hey, this is like a good August day on the farm bailing hay. Feels good the hotter the better."

In a total rage, Satan turns the thermostat down to minus 25 F. Within seconds, the air becomes chilly and frost appears, soon followed by solid ice everywhere. Satan smirks, watching the farmer.

The confused farmer looks down at the frozen ground for a moment, suddenly jumps up excitedly, looks around everywhere and begins to laugh, scream, and jump for joy.

"THE HONKERS WON A NATIONAL CHAMPIONSHIP!"

KNIGHTS OF COLUMBUS INSURANCE

Beneficiaries...Who Do You Love? ♥♥Valentine's Day will soon be here! Do you know who the beneficiary is on your life insurance policy? Why is it so important to know and to have your beneficiary information updated? A life insurance policy protects the financial status of another person – or people – in the event of your death. When Purchasing Knights of Columbus insurance policy, you have selected a primary beneficiary, and if you desire, a contingent, or secondary beneficiary. It's always a wise choice to have a contingent beneficiary because you may outlive your primary beneficiary. A contingent beneficiary is the person designated to receive life insurance policy proceeds if the primary beneficiary dies. By being specific as possible in the wording your beneficiary designation you make sure that the life insurance proceeds will be available to your wife, daughter, son, etc., in a timely manner when needed most. Your life situation will undoubtedly change over time. Plan to update your beneficiary designations periodically. This will ensure that your life insurance coverage will protect those you love and want to protect. Changing your beneficiary is fairly simple. I can provide you with the necessary forms, and can help you fill them out. I can also help you with all of your life insurance policy beneficiary designations for any life insurance policy you hold - regardless of the company that issued it.

To contact me with regards to any of your insurance needs, please call my office at 530-410-4952 or e-mail me at richard.reinero@kofc.org.
