## HAPPY NEW YEAR Brother Knights - 2009!

As Catholics, our new year begins at Advent. We have our own special start then. As citizens we celebrate the annual festivities of a new calendar year. I would like to remind all my Brothers that the safest way to start the New Year is to protect all we own. Our loved ones cling on to our support and love, and when we leave they lose them both. We can show them as a Catholic Gentleman, the responsibility we have by leaving them with Catholic Protection. This will enable them to weather the storms of survival through your love and your intelligent management of your assets. One of the ways we can help our families is by Saving Money verses Spending Money as our Supreme Knight Carl Anderson states: These are certainly difficult economic times, and everyone is very aware of the turmoil that surrounds us: credit issues, housing issues, banking issues. For the average consumer, and the average member of the Kof C, the question is obvious: where do I turn? We suggest a conversation with your professionally trained K of C Insurance Agent about the ways to protect yourself and your family. While some might say "I can't think about spending money right now," the goal is not spending money, but saving money.

Saving money through permanent life insurance with guaranteed cash values, and/or saving money through a retirement plan with guaranteed interest rates are excellent ways to prepare for your retirement. Both products can offer you a guaranteed monthly income for life. Let us help you. Wishing you and yours a responsible start to the New Year leaves me open to your availability. I am here for you my Brothers and you only and may the Good Lord be with you this new season. To contact me with regards to any of your insurance needs, please call my office at (your phone #) or e-mail me at [richard.reinero@kofc.org](mailto:richard.reinero@kofc.org)
