

KNIGHTS OF COLUMBUS

Saint Monica's Church Willows Council #2054 June 2008 Newsletter;

Next meeting: Thursday June 12th at 7:30 PM.

Greetings Brothers, Congratulations to our 2008 Knights of Columbus Scholarship recipients: Josh Enos, Chelsea Berens, Alex Ballew, Courtney Perry, Melissa Jenkins, Nathan Michaud, and Kent Thayer. Grand Knight Mathew Amaro was proud to present these much deserved scholarships during the Willows High School Awards Night recently. The look on the faces of these recipients during the event was worth all the hard work it takes to provide such support to our youth. Thanks to the scholarship committee for their work in the selection process. Our Council awarded a total of \$4700 to these individuals.

Congratulations to Chelsea Berens, Josh Enos and Alex Ballew the recipients of the Herb Carriere Memorial Scholarship. A very proud Ailene Carriere was on hand to present these scholarships in memory to her late husband and fellow brother of our council.

Brothers Knights Brad Taylor, Gary Mason, Dean Martin and Conway Couto teamed up with Bob Thurman Jr. to help out a neighbor of Brad's. Sandra Bogan needed some help w/ a sewer line repair and Mr. Thurman was kind enough to donate the materials and the Knights gave of their time. Dean the expert trench guy had to "dig down deep" into his bag of tricks using his trencher in what many would consider a very challenging site. H.I.T. Construction donated sand needed for the project. Brad says that the house is in dire need of a paint job also and is looking to put together a team for a future project to get that done too. We will discuss it at the next meeting. Thanks for your efforts Dean, Gary, Brad and Conway and thank you Bob Thurman Jr. and H.I.T. Construction

Summer is fast approaching and the heat will soon be here. Thankfully our council chamber is a cool oasis for the groups that meet regularly for fellowship. These groups such as ours have helped provide such a place. Please make every attempt to attend a meeting soon as continued success can only happen with your valued participation. Being a member of any group associated with St. Monica's is an honor and should be valued. Participants in the groups within our parish is what makes it spiritual, beautiful, fun and helpful. Others depend on you and you depend on others. Please come and enjoy. Lets be proud of our participation as Knights. See you soon! Mathew Amaro Grand Knight

Many jobs offer some form of group term life insurance. Often, this insurance is an employee benefit provided at no charge, or for small co-pay. Knowing that this coverage exists may convince someone that he doesn't need to discuss personally owned life insurance with a professional agent. That would be a mistake.

Most forms of group life insurance are limited in amount. That amount may be tied to salary or some other benchmark, but often there is a cap. That cap may be dangerously low for your family's needs should you die. In fact, in the absence of a detailed needs analysis (which I'll be happy to provide, free of charge), any employer-provided coverage may be completely unrelated to needs at death. In addition, the amount of group insurance offered is almost always reduced – and sometimes dramatically – when you retire. Especially today, there is the very real possibility that you could change employers or lose your job. Or that your benefits could be reduced. In either case you could – one day - find yourself without coverage. If your health has changed in the meantime, you might also find yourself unable to secure individual protection.

While group life helps, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide free, custom-tailored needs analysis, so that you'll know exactly where you stand.
