## Humor; Actual stupid questions asked

The below excerpts appeared in the Salt Lake Tribune. They were taken from real court records.

Now doctor, isn't it true that when a person dies in his sleep, in most cases he just passes quietly away and doesn't know anything about it until the next morning?

Q: What happened then? A: He told me, he says, "I have to kill you because you can identify me."  
Q: Did he kill you?

Was it you or your brother that was killed in the war?

The youngest son, the 20-year-old, how old is he?

Q: She had three children, right? A: Yes. Q: How many were boys? A: None.  
Q: Were there any girls?

Were you alone or by yourself?

Q: I show you Exhibit 3 and ask you if you recognize that picture? A: That's me.  
Q: Were you present when that picture was taken?

Q: You say that the stairs went down to the basement? A: Yes.  
Q: And these stairs, did they go up also?

Q: Now then, Mrs. Johnson, how was your first marriage terminated? A: By death.  
Q: And by whose death was it terminated?

Q: Do you know how far pregnant you are now? A: I'll be three months on March 12th.  
Q: Apparently then, the date of conception was around January 12th? A: Yes.  
Q: What were you doing at that time?

A Texas attorney, realizing he was on the verge of unleashing a stupid question, interrupted himself and said, "Your Honor, I'd like to strike the next question."

**State Deputy** A MESSAGE FROM THE STATE DEPUTY PROVIDED BY FIELD AGENT RICHARD REINERO Fontana, CA – May 17, 2009 – Officers and Leaders of the California Knights of Columbus, the push is on to recruit with a valiant effort to meet our goals for this Columbian year. We all must stride to make our goals in every department both recruitment and Insurance. **It is Father Michael J. McGiveny's dream to have a council in every parish, all members of that parish in the Knights of Columbus and all members protected by our personal Catholic insurance programs. In your effort to recruit please do not forget about the Insurance programs.**

All leaders should have something from our Brotherhood. It has come to my attention that Officers to include Grand Knights and District Deputies and the rest, may not have a single thing from the Brotherhood, not even an a little Annuity. This puts, leading by example, way behind. You can assist your own council toward the star council award and lead new men by having yourself on the books as an insured member. Our order gains financial strength from our Insurance programs. Our Fraternity would not exist without it. **We need all officers to examine their current position in relation to our protection programs and talk to their Field Agent or General Agent about taking advantage of the wonderful products we have.**

Remember all our products are owned by us, they are designed by Brothers to Protect Brothers. You can't beat our system. We have been successful for years and having both a solid successful company and ones that uses its funds to support our Faith is unbeatable. I urge you to talk to your Field Agent and find a way to participate. **Leading by example is the best leadership. Let's have everyone make star council awards and shoot for double star councils and districts.** May God Bless you and yours, Robert J.
