KNIGHTS OF COLUMBUS

Saint Monica's Church Willows Council #2054 Newsletter;

Next meeting: Thursday November 13, 2008 7:30 PM

Dear Brother Knights,

I want to take this opportunity to wish you and your families a very Happy Thanksgiving.

Thanksgiving is a time for family gatherings, food, fun and laughter. More

Importantly, time to offer thanksgiving to God for His blessings. It is the

Beginning of the joyous holiday season.

With the election past, let us pray that the newly elected leaders guide us in the right direction for the good of the nation.

We are glad to see that Proposition 8 was successful, if only by a narrow margin. This is an important victory to protect the sanctity of marriage. The legal skirmishing has already started by the Gay community who are determined to impose their will on the rest of us, they intend to fight until they get their way. We as Catholics must also continue our efforts to defeat the gay marriage ban.

My wife, Judi and I plan on attending the Chapter meeting in Roseville on

November 22nd. I will have a report on the meeting at our regular December 11th meeting.

Harvest is over and the weather has been fair, so why not attend a meeting?

Hope to see you next Thursday night.....November 13th. @7:30 p.m.

God Bless,

Jim LaBarbera, Grand Knight

Pastor Emeritus
Rev. Matthias J.
O'Callaghan

A group of 35 college Knights representing 18 universities are served with Supreme Knight Carl A. Anderson as the Knights of Columbus' official delegation to World Youth Day 2008. The college Knights were among about 125,000 international visitors in Sydney, Australia, July 15-20 for World Youth Day. They also served as volunteers at the Love and Life Site, located on the campus of Notre Dame University. The Love and Live Site was sponsored by the Sisters of Life, Knights of Columbus and Pontifical John Paul II Institute for Studies on Marriage and Family. Numerous talks, concerts and events focused on building a culture of life were being held at the Love and Life Site.

Religious Joke

There was an old man sitting on his porch watching the rain fall. Pretty soon the water was coming over the porch and into the house.

The old man was still sitting there when a rescue boat came and the people on board said, "You can't stay here you have to come with us."

The old man replied, "No, God will save me." So the boat left. A little while later the water was up to the second floor, and another rescue boat came, and again told the old man he had to come with them.

The old man again replied, "God will save me." So the boat left him again.

An hour later the water was up to the roof and a third rescue boat approached the old man, and tried to get him to come with them.

Again the old man refused to leave stating that, "God will save him." So the boat left him again.

Soon after, the man drowns and goes to heaven, and when he sees God he asks him, "Why didn't you save me?"

God replied, "You dummy! I tried. I sent three boats after you!!"

Thank-you Mom & Dad, I wish more young adults would give their parents the gift of an LTC policy! Talk about a wonderful way to say, "Mom, Dad, you took care of me when I needed LTC--as a baby--now it's my turn. These policies are my way for making sure that I'm doing everything I can to preserve your dignity and provide you the care you deserve." For young adults, like me, who were raised in cultures in which children are expected to take care of their parents, LTC is the most efficient way to financially live up to this expectation. For young adults who were raised to "leave the nest" and never look back, LTC is a means to exceed expectations. Of course, in both situations the young adults are also simply protecting whatever estate Mom and Dad have built to pass on to them. . . .

Since its addition to the Order's product portfolio in 2000, long-term care insurance has provided the Order with an excellent opportunity to further serve Knights and their families. And – since 2005 - every Knights of Columbus long-term care policy comes with an added value. That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment. Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you are not currently a LTC policyholder, I suggest you contact me at 530-410-4952 to schedule a time to meet with you so I can provide additional information on how you can avail yourself this valuable, value-added benefit and answer any of your insurance needs.
