

Dear Brothers,

Well, here it is October and near the end of the year. This is my third letter and I hope it finds everyone well.

We have some good things to look forward to. KC's will be working on a potluck with the YLI for the entire parish and everyone is encouraged and welcome to attend. This will most likely be in late January, 2010. It will be a nice get together and may provide an opportunity to speak with members of the parish on the benefits of becoming a KC. Also, we will be working on the crab feed in the weeks to come. More information will come later.

The "Saturday Knights" are looking for volunteers, so please consider becoming part of this group.

The Steak and Lobster feed is coming up soon, and the KC's will tend the bar, so I will be calling for help with this event also.

Enough for now, see you at the next meeting on Oct. 8.

Your GK,
Joe Rogers
